HP OfficeJet ProX Series with integrated INKVERSE™

Fast. Economical. Reliable. Environmentally Sustainable. Flexible. Powered by x-nano™ INK.

- 80% or more TCO savings
- 1 cent or less per full color print
- 55 ppm fast output (color and black)
- MICR-enabled* (MX) or Standard (ST)
- 4 module 760ml INKVERSE™ Blades

The HP OfficeJet ProX INKVERSE™ Printer Series All-in-One MX/ST inkjet printing system prints up to 55 full color 8.5" x 11" pages per minute and is equipped with long-run INKVERSE™ Blade 760 ink modules. The achievable print volume with the included ink is well over 50,000 full color 8.5" x 11" sheets at 5% coverage per print color. INKVERSE™ enables enhanced workflow, long-term uninterrupted operation and dramatically reduced TCO – from less than 1 cent per full color page.

The HP ProX Series INKVERSE™ solution is best suited for short-to-medium size print runs and meets the needs of workgroups and special print jobs, like personalized books, checks, stationary and more. Small-and large-scale enterprise size businesses or schools and institutions can equally benefit from the speed, quality and low cost of ownership associated with the HP ProX INKVERSE™ solution.

INKVERSE™ Module Configurations

4 Module INKVERSE™ Color Configuration

4 Module INKVERSE™ Black Configuration

Black INKVERSE™ Blade modules available with MICR and Standard Ink. *Suitable for magnetic ink character recognition (MICR) applications.

Overview:

The next generation of high-speed, low-cost inkjet printing is here. Professional quality color output at 70ppm speed and a fraction of the TCO of color lasers. The ProX INKVERSE™ system is easy to use, and has a small footprint for convenient placement on desks and limited-space countertops.

Network ready, laser speed, brilliant color output, at incredibly low cost per printed page—this one has it all!

Automatically print two sided, streamline workflow, print wirelessly and securely connect via Ethernet. Immediately begin printing general purpose documents or checks (requires MX printer version).

Features:

- Up to 55 ppm black and color
- Printer Language: PCL5e/C/6 and PostScript
- Color inkjet print system: Cyan, Magenta, Yellow, Black, or – x-nano™ MICR Black for check printing (MX version)
